What is Matterport?

Matterport is a web-based platform that allows you to create a 3D digital twin of any given space. The 3D twin allows users to virtually interact with the space captured.

Features

Matterport not only allows potential buyers/ clients to walk through the property, it also allows them to measure the space, add comments, download 4K pictures, watch a video walkthrough and view 3D floorplans.

Statistics

Statistics found from go.matterport.com:

- 50% savings on time and travel costs for both Estate Agent and Client
- 74% of Agents win more listings
- 14% Boost in sales
- 30% more effective marketing

About us

V3D NI is managed and run by Mid-Ulster Letting & Sales in Magherafelt.

As Estate Agents we understand that marketing is essential for selling property.

Sit back and let us do the work!
